Dear Mr. Palmer,

I am writing to address a matter regarding the unintentional violation of copyright pertaining to a doormat product. Our sincere apologies for any infringement caused, as it was entirely inadvertent on our part. We were unaware of the copyright associated with the doormat in question, as this information was not provided by the manufacturer at the time of purchase. We are currently taking steps to address this issue with our merchandise provider.

To provide context, we only displayed two units of the doormat for sale before Halloween, resulting in total sales amounting to \$12.99. We acknowledge the seriousness of the situation and are committed to resolving it promptly and fairly.

We seek your assistance in finding a resolution to this matter and would greatly appreciate your swift response.

Thank you for your attention to this issue.

Sincerely,

Zhou Xiaocui
